

TEXAS COLLEGE OF TRADITIONAL CHINESE MEDICINE

It is with great pride that we announce two new additions to the TCTCM community, Dr. David Vequist, Ph.D., and Jason Jiang, PhD.

Dr. Vequist is the College's new Vice President for Assessment and Institutional Research, and will assist and direct the College's efforts toward measuring and attaining the benchmarks of institutional and educational excellence we have set for ourselves.

Dr. Vequist holds a Ph.D. in Industrial/Organizational Psychology from the University of Tulsa, where he also earned his Master's degree in the same field. Dr. Vequist presently serves as Director of the Management Discipline/Associate professor of Management at the University of the Incarnate Word, in San Antonio, Texas.

Dr. Jiang will serve as the College's new Financial Aid Assistant, helping students to prepare and complete their applications for federal financial assistance, as well as helping them to navigate the entire higher education financing process.

A graduate of U.T. Austin, with a Ph.D. in Mathematics, Dr. Jiang brings sound analytical skills and a keen eye for detail to this most demanding position.

Please join me in welcoming these two members of the TCTCM family.
